~~_____~~ Comment. It is not known if units of the 41, 42 and 46 Armies are still in Kwangtung nor that the 25 Army has arrived in Kwangtung. The strength in Paoan is larger than reported by another informant, who said that Paoan is mostly garrisoned by the Kwangtung-Kwangsi Column and who denied Chinese press reports that 30 tanks recently arrived at Shonchuan (see ~~_____~~). He also said that early in December prisoners from the 81 Division of the 27 Army were taken in Korea.
